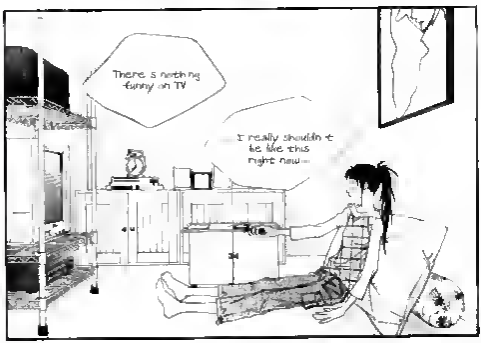
Running
Cry

I woke up at dawn and I haven't yet been able to sleep.

As soon as the sun rises, I want to disappear somewhere.

I wonder what that person is looking at?



How come there are so many bills?
Aw right I charged them on my credit card!
Hello?

Mom! Yeah, it's me.
Nothing's going on. Your daughter just wanted to call. Is there anything new?
Uhhh, me? I'm doing well.
Mom! Did you sell the cows?
Yuck! The cows! No not yet. The prices for cows have lowered. So I'm thinking of keeping it for a while. Is anything wrong?
If only I hadn't bought that foreign language book!
Uh, No. I just wanted to know how everyone's doing.
Ha ha ha. I'm that kind of a person.
Yes, yes. Okay. Yeah, bye.

Oh dear... My poor head~
Creak

CLOSE
KONG
Who are you?!

NERVOUS
FORWARD
Why... why are you doing this!
I'm going to call the police!!
I said scram!

You can't remember anything, right?
What?

I'm the person who paid yesterday, I'm your tenant

I... I need money! I have a ton of debts but I have no source of income...
Ah...
Ah...
Look, a guy like me can stand the heat in this place, and sometimes I'll even cook for you. Isn't this exactly like a bulge?
Ah...
Eh? Okay... I'll do it.

Surely, I've seen this face somewhere—but where have I seen you?

I'm an alien. Of course I'm an alien! Where did I say my memory left to...?! Without any thought I took out some clothes to wear from the closet, but these are causing me to stress because they don't match properly! I tried to change my clothes again but that turned out weird. Am I too sensitive...? Then again I still don't know his name... But I can't afford to deny his offer...
SIGH

There's nothing I can do
HMM

Hey! By chance we came to live together but we haven't yet introduced ourselves!
Ummm... Should I go first?

My name is Jang Yeon Ook. I make a living by painting.

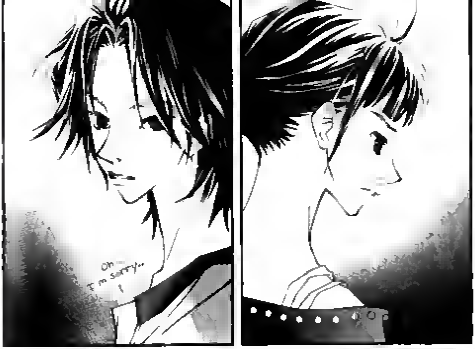
My name is Lee Beom Hee. I make a living by a part time job.

In eh...
Can't you put out your cigarette? It makes my throat dry
Eh? Ah, sho

Look here, Jang Yeon Dok...

Hmm, this isn't right!
Hey, this isn't right- I'm the owner of this house. The person watching TV over there is my tenant. I must be firm with him. If he doesn't like the cigarette smoke then he can go to his room. Right? I must tell him I'm the owner of the house so I might get a tenant like this wasn't how it was supposed to turn out.
How come you have so many credit card bills?

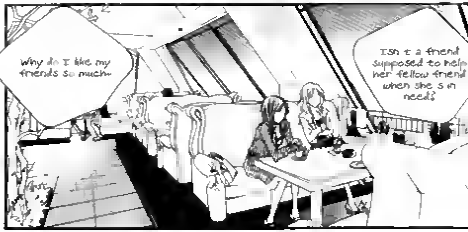
Compared to people who lose a billion dollars, you have nothing to worry about.
Oh! shopping addict?
Look here.
Why do you look into other people's business without permission?!



He isn't supposed to react that way

The guy sleeps whenever he wants to and the only inconvenience is his laundry habits.

I wonder what part-time job he has, to leave in the morning and come home at midnight, when I wake up he's fallen asleep...
What? My book? You saw it at the bookstore?



Why do I like my friends so much
Isn't a friend supposed to help her fellow friend when she's in need?

I Want To Sleep In A Dream
Okay if that's what you mean

One for you
And one for you
And
??

Shouldn't my kind friends help me?

Eh?
You guys understand what I'm saying, right?
Okay, anyways congratulations on your book. To celebrate we have to go out for drinks!
Okay, okay. Let's switch seats.
Oh? Isn't this the place where I got in a fight?
Hey, just leave. Leave already!
I'm sure he forgot.
Wait a moment. I have to go to the bathroom first.

Oh!
No wonder I thought you looked familiar!
Yeah, your right I remember that night. They asked me for my id
Wah~ This is really lucky~
Just drink a little. Don't make a fool out of yourself again!

What, what do you mean..
Oh my, it's already this late! I have to go. I planned to meet with my boyfriend
He'll be... If I'm late, I'll feel really guilty because my grandmain-law is babysitting for me.
I really admire these twins. I can't even properly take care of myself
Do you think these two and lazy you are alike?
How are you doing? Even though your book's been published your life hasn't changed much has it?

Ah that? Well, it's not entirely my book anyways
Even though it's been published I haven't been getting many fan orders

Ah! Why is my life so depressing?
Again, again Don't repeat yourself!

Running Through The City In The Sunset

You didn't go to your part time job...
Ah, today's my day off.

It's been a while since you've had a day off, why are you just watching TV all morning?

SCREE
SHUT
Hey chanel

If you don't have a lot to do, want to go outside with me?

I can't resist not coming here, it's the best after a drink.
Sun Real Estate

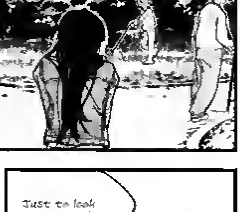
Eat it.
I'm paying.
What are you doing? Sitting there like an idiot... Can't you eat?
If you really can't eat it give it to me. Don't waste it.
No, you eat, I'll eat too.
*Eat it, Even the cucumber's
Now what else should we do?

*Explanation: In the original dialogue she said "Eat it! puuk puuk Even the cucumbers puuk puuk" Koreans have words for certain sounds. So puuk puuk would be the sound of a person eating. It was omitted in the speech bubble because it might be confusing :D

Uwoo! My arm!!
You bastard!
Again, anything else I have to do!

Truly in a movie there has to be blood or it wouldn't be worth watching.
Should we sit over there?

What's your reason for bringing me out here like this?



Just to look at the people
There's no reason, just enjoy the breeze.

On your day off, why do you stay at home? Don't you have a girlfriend?
There is nobody.
Why?
Girlfriends just cost money.
You...

You must be joking?!
But... Seriously?..
Hmm~ They just cost money?
What about you?
Do you have a boyfriend?
Me? I don't have one too If I had a boyfriend, do you think I'd be like this?
Since breaking up with my last boyfriend, I don't feel like searching for another

Want to have a smoke? Ah, you don't smoke?
No
I'll smoke my own
What, you already smoke? Why didn't you allow me to back them?
Hmmph, you don't even spend money on a girlfriend what are you doing smoking?

You go out in the morning
and arrive home at night

I wake up at midnight
then I go to work
Then when the sun
rises I fall asleep

I only see a glimpse of
you during that time

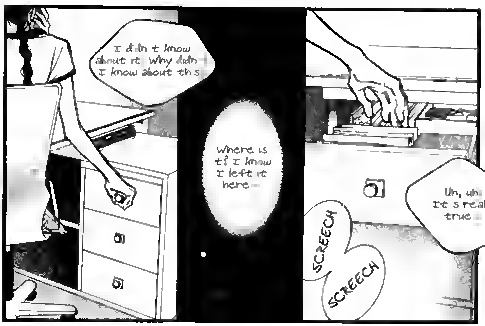
Ah yes...
Yes right now I'm working on it... Hahahaha...
Everything
Yes! Ah, of course. I'll send the rough by 2 o'clock. Yes, have a nice day

Only after I worked on a drawing in a magazine, I started to get busy.

Truthfully, what I want to work on is different... but I like what kind of jobs are being offered to me right now...

Ah
Tell me.
...Is it a secret?
Ah! I can't solve this.

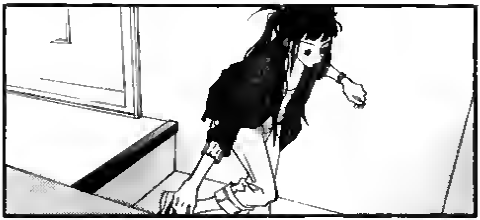
Hello?
Uh. No, this is a surprise calling me in the morning...
Eh? A wedding?
Uh. No. Ah, I know I didn't get to hear much about it...
Really? That Jin Young Ee brat?
Uh. It's true...



I didn't know about it. Why didn't I know about this...
Where is it? I know I left it here...
SCREECH
SCREECH
Uh, uh! It's really true...

Ah!
It's suspicious!
I found it!
Uh m why don't you call me?
What?
Uh m Doesn't your ex-boyfriend call you?
TAP TAP
Cigarettes I need my cigarettes
We're completely over!
Uh
Uh Haha. That's true. Uh
Uh Stay well..

I can't ignore it
I have to go buy a pack
of cigarettes



Excuse me.
Yes?
Ah, I'm going to the supermarket. If you need anything tell me. I'll buy it along the way.
Let's go out together.
Beom Mori, you still smoke these?

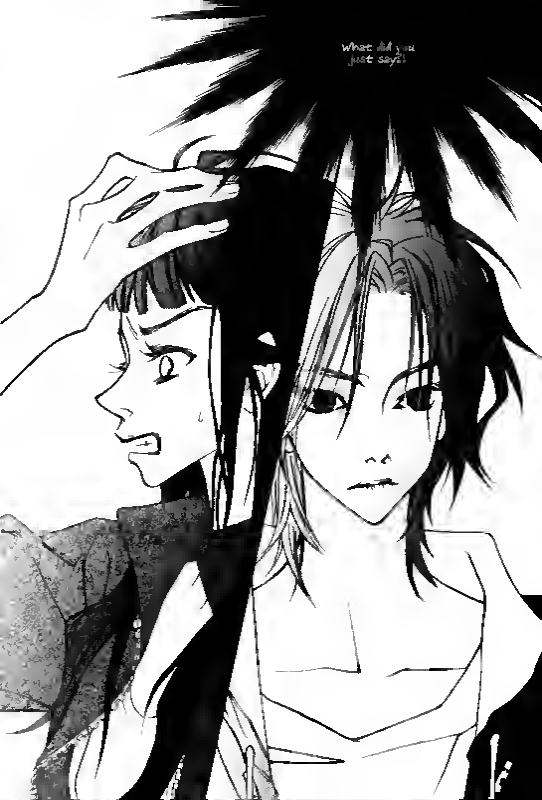
I'm buying these
Gave me two cigarette packs..
Yes
Can I see your id card please?
SUK-
Sure
Che! I knew this would happen

*About $200 US dollars

This s how it goes everyday!
No matter what happens, everybody asks me for my d card!
Even when I try to buy a pack of cigarettes, this kind of annoying s tuation always happens to me!
Well, even you asked for my id card?
Truly, I don t look that young.
Beam Kno, they look at your face and instantly change everything
Sa...

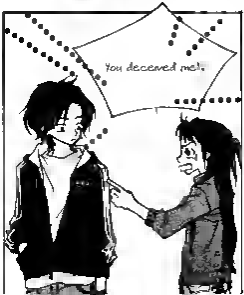
?!
what...
SEEEE!

I'm not considered as an adult
adidas
What...?
What are you doing? The traffic sign is going to change soon.



what did you just say?

Hmmph...
So that's how it is.



I didn't deceive you. I just never told you
Ha?
Haha!
Hahaha... Funny
What! Then really how old are you?
19 yrs old
Oh my!

Then what is that part time job you have at the bar!?
At first I hell and got in hurt later the boss started to like me and let me keep on working
Ha Hahaha.
Oh anyways from now on I'm going to speak ban sjdesch to you
your already speaking that way to me

*The korean language has a formal (respectful) speech and a informal (friendly) speech. Ban kal or Ban Speech is the non formal speech used for talking to people your either close to or they're not your elders or people you don't need to respect. Ty just it simply Jang Yeon Guk is talking less respectfully to Eun Hong that she knows his real age.

What....
From this point of view he does look a bit like an adult

But.... Still....
It's... So....

Your clothes. Start dressing like what your wearing today.
Huh?
Your clothes. Start dressing like what your wearing. Like a student should!
But I'm not a student
Understand?
Yes

At first we slept whenever but recently
our sleeping time has gotten later

He used to wake up at late...he would hastily go out
but now he wakes up early and watches TV

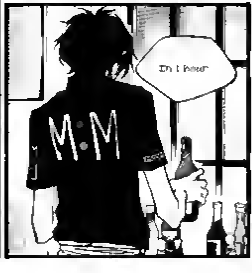
He's interested in what I do now, so I showed him my book.

Since we're awake during the same time we somehow end up watching TV together.

Before we lived together but lived our own separate lives, now we're familiar with each other being around.

From this angle he looks girly.
Hahaha True~

When do you get off work?



M·M
Oh I know!

Then tell them your finished and let's go home together

I'll go sit over there.
Look here!!

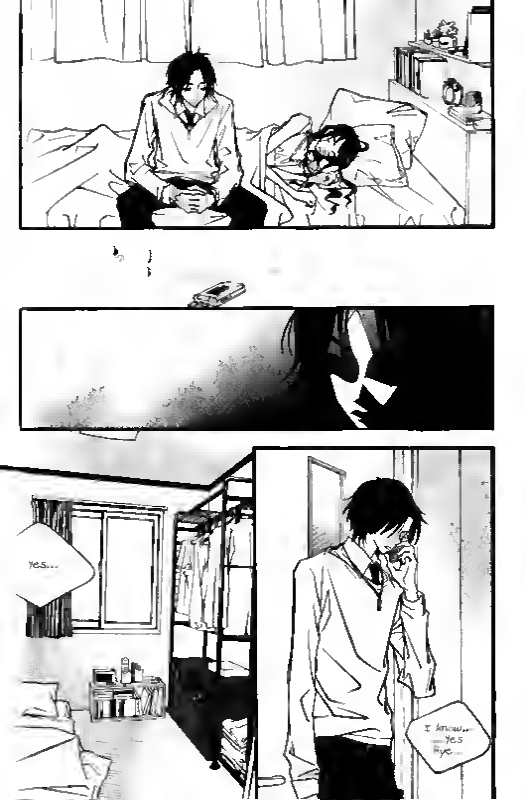
We're here. Get a hold of yourself!!
.....

Ha.

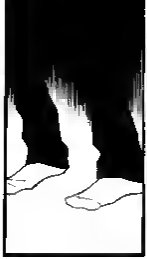
What kind of girl gets married so early? Is getting married her life goal? Doesn't she have anything she wants to do?

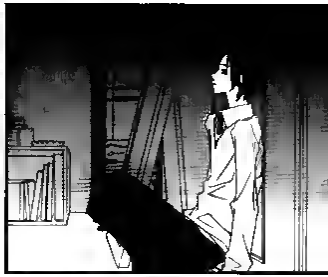
Usually I just work at an office.
I don't want to throw away all of my dreams and get married
SHOCK
True, I'm not working because I like my job either!
Here, water

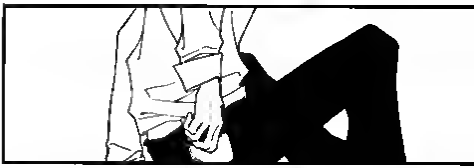
I want my own art exhibition and draw what I like all of my life.
I envy you first.
If I were to become your age I'd want a start anew too
Your talking about your friend that get married when she's drunk and starts talking in Japanese?
She is a transfer student from Japan



yes...
I know... Yes Bye...







A bright day

The start of a new day again.

Making me worry...

You're dripping on the floor!
...Okay

Are you simply going to leave...?
What?
Hmmph.
Stop speaking nonsense and go to sleep.
You're such a heartless person.
You're going to your part-time job tomorrow, right?

How long have I been lying down?
Why is the air in this room so hot?
CLICK
But it's best not to worry about that.

What? Meet you? Hey, asking a girl to meet you alone at night... Are you crazy?
Jang Yeun Guk! I can't, I'm busy. I have to go work. I'm going now.

Are you sure that will cover you?
It's okay, I'm going to throw it away on my way home anyways
I'm leaving first

TUUK
Okay, should I slowly go home?

Tap Tap
What am I doing...
I can't concentrate in my work, and I can't... not to meet anyone...
Hmmm... Why is it like this?

Here
What are you staring at?
Hurry and accept the umbrella
I knew you would come

Ah! I thought you were asleep.
This place is...
What?
This is the overpass
This place seems to have items.
There was a guy who always came here at an odd time.

He would always come here. It's strange, I don't see him here anymore.
That person. Did he see that standing here.
Morning.

I was waiting to see morning come

You...
You are...
That is...

How do you know that?
Just because.
Just
It's a common interest

It's okay. Yes. It's good. It also has many pictures.

But I'm going to sleep first

It really is true.
But this doesn't make sense
Does he sense it?
That I'm awaiting him...
He can surely sense it
He's not stupid...
At first I wasn't supposed to take in a boy

After that day...
If I could, I would avoid any time together with him

I knew I should act normal... Even though I thought that whenever he came around I would pretend to go to sleep.

For sure... He must have sensed it but strangely he... I saw that he had no reaction at all

We both felt how awkward it was. We knew that one of us would have to talk... but neither of us could find a suitable time. We were waiting like fools...

I didn't leave anything out, right?

He shouldn't be awake yet...
I should go out before I collide into him

Just good info:

Can I distribute some of the links?

No. If I see any links outside of the site, possibly all titles and possible the site will closed down. I have seen some of the scans outside of the site before, but I sort of just shrugs it off because I cannot controll the distribution. So in the long run, if I see more of the scans circulating, everything will come down. Of course, w/o prior warnings and notices.

Yes. If you are passing it to a friend. I do not want to see it post in public places. (e.g. blogs, websites, livejournals, forums, etc.)

Isn't that a little harsh?

Yeah, but I'm using my own time to do this and the only thing I asked of you is to not redistribute. If you can't follow that one simple rule, then why should I bother doing what I do. I give people warnings and asked them to take it down, but it tiring after a while. So, don't be surprise if all of sudden this site disappear.

also, this is a LQ scan, do not subsitute for the real thing. if it's availabe in your country, go buy it!! title is read left to right.

take care.
